From Transition to Transformation... the road ahead for health care in Ontario and the Central West LHIN

Agenda

Tuesday, November 14, 2017 | 5:00 to 8:00 pm
Millennium Gardens Banquet Centre
20 Polonia Avenue #100, Brampton, Ontario

Passage of Ontario's Patients First Act was a milestone that laid the foundation for a significant transformation of provincial and local health care systems! It subsequently set in motion collaborative planning which, on May 31st of this year, culminated in the transition of home and community care services into the Central West LHIN. With transition now in the rear view mirror, the important work of health system transformation has begun in earnest, begging the question:

"What's next on the road ahead?"
